

## Meeting Minutes

### Dependency analysis for Kactus2

#### Client meeting

Date: 14.5.2013, 15:00 – 16:00

Number of meeting: client meeting 4/2013

Place: Tampere University of Technology, Korkeakoulunkatu 1, room TH211

Participants: Timo D. Hämäläinen (Client)  
Joni-Matti Määttä (Project manager)  
Mikko Honkonen (Project team member)  
Tommi Korhonen (Project team member)

#### Meeting

1. The last feature change in the software has been made, to hide the unchanged dependencies in the graph when difference mode is enabled.
2. The client is very happy with the time usage in the project, no complaints in that regard. No other complaints about the project either, it has been very successful.
3. Final report seems OK by the client and is accepted.
4. Celebratory coffee offered by the client.
5. A whitepaper may be written of the tool, but that will not be part of the actual project.

#### Actions to follow

1. Project is now finished as far as the client is concerned, final report to be delivered to the course staff.
